

GEN-RFP-2013-01

## SPEC REQUIREMENT REVISIONS

This document supersedes previous information regarding Scope of Work

8/10/2012

- 1) Please delete item #5 under "ADDITIONS AND MODIFICATIONS " section under 'scope of work' and revise original item #10 to include:

Manufacturers will issue an I-120 wind up lift rating AND a manufacturer's 20 year NDL (No Dollar Limit) Labor and Material warranty that will include a wind rider of 120 MPH wind speed warranty.

- 2) Please add as item #16

Manufacturers will be responsible for any existing moisture within substrate or will have to remove the wet areas and replace with new insulation and membrane before new retrofit roof can be installed.

- 3) Please add as item #17

Contractor must provide a minimum of \$1,000,000.00 comprehensive general liability insurance policy, and provide worker's compensation coverage.

- 4) Please add as item #18

Contractors must submit a signed statement on your letterhead stating that: "The firm is not ineligible to receive award of a contract due to the firm's inclusion on any Federal or Virginia State lists of debarred contractors, or otherwise ineligible to be awarded a contract using Federal or State funds".

- 5) Please add as item #19

Contractors must submit references from similar projects, contractor licensing information, W-9 (taxpayer identification) information, certificates of SWaM, DBE, insurance for liability and workers compensation if not previously submitted.

- 6) Please add as item #20

New deadline for acceptance of revised proposals will be 8/24/12 by 3:00 PM EST. Future RFP deadlines will be moved back by 3 weeks from the original dates, to allow applicants to modify their proposals to fit the new revisions.
