#### **BACKGROUND:**

In April 2010, the HRPDC entered into Continuing Services Agreements with the firms CH2M Hill and URS to provide assistance, on a Task Order basis, in the areas of water supply, wastewater and stormwater and associated activities. The HRPDC authorized the execution of a Continuing Services Agreement, in accordance with a Request for Proposal approved and issued on December 17, 2008. These contracts may be renewed by the Commission upon written agreement of both parties for up to four (4) successive one year periods, under the terms of the current contract. In the past year, task orders were issued for assistance with the Regional Water Supply Plan and evaluation of the draft Chesapeake Bay TMDL.

Contract Amount: \$0. If assistance is required, a task order will be developed and the proposed budget will be presented to the Commission for approval.

Period of Performance: July 1, 2011 to June 30, 2012. The time of performance for specific tasks will be documented in the individual task orders as they are developed.

General Scope of Work: To provide assistance, on a Task Order basis, in the areas of water supply, wastewater and stormwater and associated activities. Individual localities may utilize these contracts through the HRPDC, if appropriate.

Generally, task order work has been funded by the localities through the Regional Water, Wastewater or Stormwater Program budgets.
