### **ITEM #14: FOR YOUR INFORMATION**

#### **Hampton Roads Sustainable Living Expo**

On September 28 and 29, 2012, the City of Virginia Beach is organizing and hosting the Hampton Roads Sustainable Living Expo. The goal of the Expo is to begin an honest dialogue on what it means to be sustainable, focusing on a balance among social, economic and environmental issues, in the Hampton Roads Region.

Attached for your information is a flyer about the event, including the September 28, 2012 business luncheon. More information can be obtained from the Expo website <http://www.hrsustainablelivingexpo.com>

# Hampton Roads Sustainable Living Expo

**What:** A regional two-day event designed to engage the greater Hampton Roads community in exploring the balance between social, economic and environmental responsibility. The goal of the Hampton Roads Sustainable Living Expo is to begin an honest dialogue on what it means to be sustainable in the Hampton Roads Region. There are already many local, public and private community leaders in our area addressing sustainability. These organizations are quietly moving towards a sustainable model, while many other organizations are looking for a way to begin.
