

WATER RESOURCES PROGRAMS: REQUEST FOR PROPOSALS

Presentation

Hampton Roads Planning District Commission

John M. Carlock, Deputy Executive Director

December 17, 2008

PROGRAMS

- ◆ Regional Water Supply
- ◆ Regional Wastewater Management
- ◆ Regional Stormwater Management
- ◆ TMDL and Other Water Quality Plans

RFP OBJECTIVES

- ◆ Provide to the HRPDC, Directors of Utilities Committee Regional Stormwater Management Committee, subcommittees or one or more localities:
 - Continuing planning and engineering services
 - Continuing communications and marketing services
 - Continuing mediation services

CONTINUING SERVICES AGREEMENTS

- ◆ Have technical resources available in a timely fashion
- ◆ Task-specific, work order basis
- ◆ Any project would require prior concurrence by affected localities, including commitment to fund effort
- ◆ No guarantee that consultants will be utilized or the value of the work
- ◆ Selection Process – Review and approval by Utilities and Stormwater Committees

RECOMMENDED ACTION

- ◆ Approve RFP for distribution
- ◆ Authorize Executive Director to enter into continuing services agreements with selected firms
