- 2. Public Comments**
- 3. Submitted Public Comments**
- 4. Approval/Modification of Agenda**

2015 Retreat Workshop

- 5. HRPDC At a Glance**

A brief presentation on the HRPDC's programs and services will be provided to give both new and existing Commission members an overview of the core functions of the organization.

- 6. Envision Hampton Roads**

The HRPDC is currently working on the second phase of the Regional Strategic Plan, "Envision Hampton Roads". The objective of this phase is to establish a regional vision statement and regional guiding principles. This will be accomplished through a series of Visioning Sessions that are currently taking place throughout the region. HRPDC Staff will provide an overview of Phase 2 of the Envision Hampton Roads process.

- 7. Commission Priorities**

Building on the 2014 Retreat, the main focus of this segment is to solicit further input and direction from the Commission in addressing the regional priorities and issues that were identified. Commission members will be provided some general background information on key issues and engage in a group discussion setting on the following topics:

- Education
- Sea Level Rise
- Economic & Workforce Development
- Emergency Management
- Shared Services
- Housing & Vulnerable Populations
- Regional Branding/Regional Identity

The HRPDC Staff will also electronically solicit input and guidance from Commission members on how the HRPDC can better communicate its programs and tools to support localities. Chairman Kenneth Wright and HRPDC Interim Executive Director, Randy Keaton, will provide an overview of the Retreat format and begin the discussion.
