

Figure 1.16 Hampton Roads Sub-Sector Location Quotients in 2009

Why is it important?

Sub-sector location quotients reveal specific industries that have a high regional concentration. The industries listed in Figure 1.16 all have a location quotient above 1. These sub-sector industries represent the backbone of the private sector economy in Hampton Roads.

How are we doing?

Water transportation, transportation equipment manufacturing, and lessors of nonfinancial intangible assets have the three highest private sector industrial location quotients in Hampton Roads pointing to the economy clusters associated with the ports and the region's tourism industry
