

## **AGENDA NOTE – HRPDC EXECUTIVE COMMITTEE MEETING**

### **ITEM #12: FOR YOUR INFORMATION**

#### **A. VAPDC BOARD OF DIRECTORS**

The Virginia Association of Planning District Commissions has completed its slate of officers for Fiscal Year 2011. HRPDC Chairman Bruce Goodson has been nominated to serve as a Member of the Board of Directors of the VAPDC.

#### **B. OUTER CONTINENTAL SHELF (OCS) LEASE SALE MEETINGS**

On May 7, 2010, the federal Minerals Management Service announced the cancellation of several scoping meetings for the Environmental Impact Statement for Proposed Mid-Atlantic Oil and Gas Lease Sale 220. This lease sale would cover the period from 2012-2017. The cancellation of these meetings and the postponement of the comment period for the associated Geological and Geophysical Programmatic EIS is attributable, in part, to the recent events in the Gulf of Mexico. Attachment 12-B is a copy of the Federal Register Notice of the cancellation.

Attachment 12-B

#### **C. GREEN INFRASTRUCTURE PROGRAM**

The Conservation Fund has just published a compendium of conservation models, entitled, [A Sustainable Chesapeake: Better Models for Conservation](#). Chapter 3 covers Green Infrastructure and includes a paper, “Developing and Protecting Green Infrastructure: A Regional Approach to Conservation in Southeastern Virginia,” prepared by Eric Walberg and Sara Kidd of the HRPDC staff. This paper is based on the HRPDC report, [A Green Infrastructure Plan for the Hampton Roads Region](#), approved by the HRPDC at its Quarterly Meeting on April 21, 2010.

#### **D. GREEN JOBS ALLIANCE “RAMP-UP THROUGH RETROFIT” GRANT**

Attached for information is the April 21, 2010 Press Release from the Green Jobs Alliance indicating that its partnership with a number of other communities across Southeastern United States has been successful in obtaining funding through the U.S. Department of Energy for the “Ramp-Up Through Retrofit” project. The Green Jobs Alliance will receive approximately \$3.2 million dollars from this \$20 million dollar grant. The HRPDC endorsed this proposal at its November 18, 2009 Executive Committee Meeting.

Attachment 12-D

Coordinator/Collections Manager, Rochester Museum & Science Center, 657 East Ave., Rochester, NY 14607, telephone (585) 271-4552, ext 302, before June 7, 2010. Repatriation of the sacred objects/objects of cultural patrimony to the Tonawanda Band of Seneca Indians of New York may proceed after that date if no additional claimants come forward.

The Rochester Museum & Science Center is responsible for notifying the Tonawanda Band of Seneca Indians of New York that this notice has been published.

Dated: April 27, 2010.

### National Park Service

#### National Register of Historic Places; Notification of Pending Nominations and Related Actions

Nominations for the following properties being considered for listing or related actions in the National Register were received by the National Park Service before April 3, 2010. Pursuant to section 60.13 of 36 CFR Part 60 written comments are being accepted concerning the significance of the nominated properties under the National Register criteria for evaluation. Comments are also being accepted on the following properties being considered for removal pursuant to 36 CFR 60.15. Comments may be forwarded by United States Postal Service, to the National Register of Historic Places, National Park Service, 1849 C St., NW., 2280, Washington, DC 20240; by all other carriers, National Register of Historic Places, National Park Service, 1201 Eye St., NW., 8th floor, Washington, DC 20005; or by fax, 202-371-6447. Written or faxed comments should be submitted by May 24, 2010.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we

cannot guarantee that we will be able to do so.

## DEPARTMENT OF THE INTERIOR

### Minerals Management Service

#### Outer Continental Shelf (OCS) Mid-Atlantic Proposed Oil and Gas Lease Sale 220

**AGENCY:** Minerals Management Service (MMS), Interior.

**ACTION:** Notice of indefinite postponement of comment period on and cancellation of public meetings to scope for an Environmental Impact Statement (EIS) for Proposed Mid-Atlantic Oil and Gas Lease Sale 220.

**SUMMARY:** This Notice serves to cancel scoping meetings and to postpone the comment period on scoping for Sale 220 until further notice. Three public scoping meetings that had been scheduled on May 12, 25, and 27, in the **Federal Register** (Vol. 75, No. 82, page 22623) to solicit information to assist MMS in preparing an EIS to evaluate potential environmental effects of proposed Lease Sale 220 are hereby cancelled. Also, the public scoping meeting scheduled for May 12, 2010, in Norfolk, Virginia, to solicit public input on both Sale 220 and the Geological & Geophysical Programmatic EIS on the Mid- and South Atlantic OCS (G&G PEIS) is hereby cancelled. This Notice does not affect the public scoping period for the G&G PEIS. The scoping period for that PEIS ends on May 17, 2010 (see 75 FR 16830).

Pursuant to the regulations implementing the procedural provisions of the National Environmental Policy Act of 1969, as amended (42 U.S.C. 4321 *et seq*) (NEPA), MMS had reopened the scoping comment period on the EIS for proposed Lease Sale 220 for a period of 45 days from the date of the **Federal Register** notice on April 29, 2010. The closing date for scoping under that notice was to be June 14, 2010. The scoping period for Lease Sale 220 is now postponed until or unless we provide further notification.

**DATES:** On April 29, 2010, MMS published a notice in the **Federal Register** (Vol. 75, No. 82, page 22623) announcing the continuation of scoping for a 45-day period and that three public meetings were scheduled on:

- May 12 at Hilton Norfolk Airport in Norfolk, Virginia;
- May 25 at Princess Royale Oceanfront Hotel and Conference Center, Ocean City, Maryland; and
- May 27 at Elizabeth City State University Fine Arts Complex in Elizabeth City, North Carolina.

These meetings are cancelled.

*Comments:* Comments that are provided in the period between

publication of the notification reopening scoping on April 29, 2010, and this notification of postponed scoping will be held together with comments received during the initial scoping period of November 13, 2008 through January 13, 2009. No further comments are being solicited for scoping of the Lease Sale 220 EIS pending decision by the Secretary of the Interior.

**FOR FURTHER INFORMATION CONTACT:** For information on the status for the Sale 220 EIS scoping, please contact Mr. Gary D. Goeke, Chief, Environmental Assessment Section, Leasing and Environment (MS 5410), Minerals Management Service, Gulf of Mexico OCS Region, 1201 Elmwood Park Boulevard, New Orleans, LA 70123-2394, telephone (504) 736-3233.

**SUPPLEMENTARY INFORMATION:** With respect to proposed Lease Sale 220, MMS issued a Notice of Intent to prepare an EIS published in the **Federal Register** on November 13, 2008 (Vol. 73, No. 220, page 67201), and included a 45-day scoping period. No scoping meetings were announced at that time. The MMS decided to extend the comment period and made announcements in a press release and other media. On January 7, 2009, MMS published a notice in the **Federal Register** (Vol. 74, No. 4, page 727) extending the scoping comment period to 60 days. That comment period expired on January 13, 2009. Scoping had been reopened in the **Federal Register** notice published on April 29, 2010 (Vol. 75, No. 82, page 22623). Today's notice postpones indefinitely scoping for the Sale 220 EIS until or unless MMS provides further notification.

Dated: May 4, 2010.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-689]

**In the Matter of Certain Dual Access Locks and Products Containing Same; Notice of Commission Determination Not To Review an Initial Determination Granting Motions for Summary Determination of Non-Infringement and Finding No Violation of Section 337; Termination of the Investigation**

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") granting two motions for summary determination of non-infringement and no violation of section 337 issued by the presiding administrative law judge ("ALJ") on March 18, 2010, in the above-captioned investigation.

**FOR FURTHER INFORMATION CONTACT:** Michael K. Haldenstein, Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-3041. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on October 21, 2009, under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based on an amended complaint filed on October 5, 2009, by Safe Skies, LLC and David Tropp of Brooklyn, New York. 74 FR 54065 (October 21, 2009). The Commission named the following companies as respondents: C&C Luggage Manufacturing Co., Ltd. of China; Formosa Tai Rank Industrial Corp. of Taiwan; Hangzhou Gema Suitcases & Bags Co., Ltd. of China; La Pearl Luggage and Leather Goods Co., Ltd. of China; Hinomoto Jomae, Ltd. of Japan; Sinox Company, Ltd. of Taiwan; Yi Feng Manufacturing, Co., Ltd. of China; Jin Tay Industries Co., Ltd. of Taiwan; FULLYEAR-Brother Enterprise, Co., Ltd. of Taiwan; Zhuhai SkyGood Tech. Industrial Corp., Ltd. of China; Ningbo Xianfeng Art & Craft Co., Ltd. of China; Paloma Enterprises Co., Ltd. of Taiwan; Tekraft Industrial Co., Ltd. of Taiwan; Hangzhou Travelsky Co., Ltd. of China; The Sun Lock Company Ltd. of Hong Kong; Alloy Metal Manufactory, Ltd. of Hong Kong; Cometform, Ltd. of England; Design Go Ltd. of England; Franzen International of Germany; M-Power Lock Manufactory of Hong Kong.

The complaint alleged violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain dual access locks and products containing same that infringe claims 1-21 of U.S. Patent No. 7,021,537 and claims 1-20 of U.S. Patent No. 7,036,728. The complaint further alleged that an industry in the United States exists as required by subsection (a)(2) of section 337. The complainants requested that the Commission issue a general exclusion order and cease and desist orders.

On March 18, 2010, the ALJ issued an ID (Order No. 6) granting a motion of the Commission investigative attorney ("IA") and a joint motion on behalf of 19 of the above-named respondents for summary determination of non-infringement of all asserted claims. Only respondent Formosa Tai Rank Industrial Corp. did not join in the joint motion for summary determination. On April 1, 2010, complainants filed a petition for review of the ID. On April 8, 2010, the IA filed an opposition to the petition for review. On April 9, 2010, the 19 respondents filed a joint opposition to the petition for review and a motion for leave to file their response out of time, which the Commission has granted.

Having examined the record in this investigation, including the ALJ's ID, the petition for review and the responses thereto, the Commission has determined not to review the ID and terminate the investigation with a finding of no violation of section 337.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in sections 210.42-.46 of the Commission's Rules of Practice and Procedure (19 CFR 210.42-.46).

By order of the Commission.

Issued: May 3, 2010.

**GREEN JOBS ALLIANCE GRANT TEAM AWARDED \$20 MILLION  
DEPARTMENT OF ENERGY “RAMP-UP THROUGH RETROFIT” GRANT**

April 21, 2010 - Virginia Beach, VA – Today Vice President Biden kicked off five days of Administrative events surrounding the 40<sup>th</sup> anniversary of Earth Day. As part of those events, he announced the selection of 25 communities for up to \$425 million in Recovery Act funding to “ramp-up” energy efficiency building retrofits (full press release attached).

The Southeast Community Retrofit Ramp-up Consortium grant proposal, comprising 16 communities (listed below) across the Southeast United States, was led by the Southeast Energy Efficiency Alliance (SEEA) based in Atlanta, GA. The Green Jobs Alliance, a non-profit organization headquartered in Hampton and a partner in the SEEA proposal, was the regional lead for the 16 localities of Hampton Roads to participate in this DOE Ramp-Up Through Retrofit Grant application. The Consortium was awarded \$20,000,000. It is expected that the Green Jobs Alliance will receive approximately \$3,200,000 of that sum.

The grant funds will be used to launch a Regional Energy Alliance to promote and implement residential and commercial energy efficiency programs in Hampton Roads. The alliance will be comprised the stakeholders specified in the EPA’s Home Performance with ENERGY STAR™ program which is delivering on the promise of green jobs through energy efficiency in 30 states across the country. The stakeholders will include financial institutions, builders and contractors, realtors, appraisers, certified energy auditors, educational institutions, training organizations, state and local government, utilities, manufacturers, retailers and citizens. It is projected that several hundred construction trades jobs will be created in Hampton Roads, millions of dollars in direct economic impact to the local economy in payroll and utility savings, millions of dollars in increased real estate values, and millions of metric tons of carbon saved from entering the atmosphere.

A ceremonial presentation of the \$20,000,000 check will be made during Earth Day Peninsula Green Drinks, April 22<sup>nd</sup>, 5:30pm-8pm, Marker 20, 21 E. Queens Way, Hampton, VA. The Hampton Roads Congressional Delegation and McDonnell Administration have been invited. It is expected that Congressman Bobby Scott will present the check.

The following governments and non-profit organizations have been selected for Retrofit Ramp-Up awards. These projects are planned to begin in fall 2010. Final award amounts are subject to negotiation:

Austin, Texas - \$10 million

Boulder County, Colorado - \$25 million

Camden, New Jersey - \$5 million

Chicago Metropolitan Agency for Planning - \$25 million

Greater Cincinnati Energy Alliance, Ohio - \$17 million

Greensboro, North Carolina - \$5 million

Indianapolis, Indiana - \$10 million

Kansas City, Missouri - \$20 million

Los Angeles County, California - \$30 million

Lowell, Massachusetts - \$5 million

State of Maine - \$30 million

State of Maryland - \$20 million

State of Michigan - \$30 million

State of Missouri - \$5 million

Omaha, Nebraska - \$10 million

State of New Hampshire - \$10 million

New York State Research and Development Authority - \$40 million

Philadelphia, Pennsylvania - \$25 million

Phoenix, Arizona - \$25 million

Portland, Oregon - \$20 million

San Antonio, Texas - \$10 million

Seattle, Washington - \$20 million

**Southeast Energy Efficiency Alliance - \$20 million**

Toledo-Lucas County Port Authority, Ohio - \$15 million

Wisconsin Energy Conservation Corporation - \$20 million

For more information on the selected projects, visit [HERE](#). A map of the selected projects is available [HERE](#).

The Green Jobs Alliance (GJA) is a nonprofit organization established in direct response to the Green Jobs Act. With millions of Americans out of work, the Alliance is presented with a unique opportunity to assist in assembling an education and training infrastructure that will support green job creation. GJA works to coordinate the resourcing, training, outreach and associated support for the development of an evolving energy efficiency and renewable energy industries workforce with a goal of economic independence for individual workers, including those who seek a pathway out of poverty. The GJA includes a coalition of business, labor, educational institutions and technical training schools, community service organizations, environmental groups, workforce development boards, green building and renewable energy companies, sustainable small businesses and veteran's groups that have partnered to

---

provide education, green jobs training, job placement and career development for the following individuals: under-employed/unemployed citizens; military veterans; at-risk youth including teens who are “aging out” from state foster care systems; workers affected by national energy and environmental policy; individuals in need of updated training related to energy efficiency, renewable energy industries and green careers; former incarcerated, adjudicated, nonviolent offenders; and those seeking a pathway out of poverty.

For more information contact Randy Gilliland, Co-Founder, Board of Directors, Green Jobs Alliance, 757-814-0001, [rgilliland@greenjobsalliance.org](mailto:rgilliland@greenjobsalliance.org).
