AGENDA
ELIZABETH RIVER STUDY STEERING COMMITTEE MEETING
November 1, 2013
9:30 A.M.

1. Meeting Summary

The summary from the August 2, 2013 meeting is attached.

Attachment: 1-A: ERmtgSummary_8_02_13
1-B_Nutrient Pulsing Project 8-2013

2. COE Project Status Report

COE staff will provide a review of the history and progress of the Elizabeth River Restoration Study and update the Committee on projects that have been completed and those that can still be implemented.

3. Discussion on Upcoming TMDLs and Implementation Plans

DEQ staff will provide the Committee with a summary of the TMDLs and implementation plans expected to be completed within the next 1-2 years within the Elizabeth River Watershed.

4. Committee Reports

All Committee members are requested to provide an overview of their current activities related to the Watershed, pending issues, and initiatives. Following discussion at the December meeting, members should focus their reports on activities related to implementing the Chesapeake Bay TMDL. Categories to address include: current actions, updates on any past actions, actions planned for the future, opportunities for collaboration, and funding needs/opportunities. Each member will have 5-10 minutes for their report.

- Local Governments
- State Agencies
- Federal Agencies
- ERP

5. 2014 Meeting Schedule

The Committee will confirm the meeting dates for 2014.
