RE: FY 2024-27 HRTPO TIP Amendment UPC 115509

Dear Mr. Crum,

The Virginia Department of Transportation (VDOT) requests a TIP Amendment from the Hampton Roads Transportation Planning Organization (HRTPO) to ungroup UPC 115509, #SMART20 Route 171 Improvements, and add it back into the FY 2024-27 TIP as an individual project. This project will provide intersection, turn lane, and shoulder improvements with a shared use path along Route 171, between Route 134 and Big Bethel Road (Route 600). The allocations within the TIP years currently reflect a \$2,579,806 deficit. The outer-year allocation will be local funds provided by York County. Fiscal constraint of the subject project is demonstrated, and all funding has been identified. To that end, we request UPC 115509 be added in the FY 2024-27 TIP with the following information:

- UPC 115509 – #SMART20 Route 171 Improvements
  - Non-Federal Oversight
  - Add FY Previous Obligations
