Budget Amendments			
HB1800 114#6c	Restore Additional Support for Planning District Commissions. This amendment would provide an additional \$294,000 the second year from the general fund to provide each of the 21 Planning District Commissions with an increase of \$14,000 per year. The 2020 Appropriation Act provided this amount in both years of the biennium; however, the increase was unallotted due to COVID-19 impacts to the state budget.		Conference Report
HB1800 446#2c	Coastal Virginia Transportation Infrastructure Inundation Study (language only). This amendment includes language requiring VDOT to report annually on the status of what transportation infrastructure in the Coastal Shore region is at risk to inundation from sea-level rise and what is being done to address the concerns.		Conference Report
HB1100 114#5c	Virginia Removal or Rehabilitation of Derelict Structures Fund. This amendment would provide an additional \$500,000 from the GF in the second year for the Industrial Revitalization Fund and designate the increase for the removal, renovation or modernization of port-related buildings and facilities in the cities of Portsmouth, Norfolk, Newport News, Richmond, or Front Royal.		Conference Report
HB1800 447.10#1c	2021 Transportation Funding Initiative. This amendment provides a total of \$323.4 million to establish the 2021 Transportation Funding Initiative comprised of one-time federal Coronavirus relief funding, existing program balances, and general funds. The Initiative provides funding for a variety of statewide funding programs and projects including expansion of intercity and commuter passenger rail programs, completion of the Hampton Roads Express Lanes network, capacity expansion of the Interstate 64 Corridor in Richmond, fare-free transit demonstration projects, statewide multiuse trails, and an urban connected infrastructure demonstration project.
