The logo features a stylized sun or rising sun motif. The upper half is a semi-circle with a gradient from orange to yellow. Below this, a series of white, pointed rays radiate upwards. The lower half of the sun is composed of two dark blue, curved shapes that resemble a stylized 'V' or a pair of wings. Below the sun graphic, the word 'RISE' is written in a bold, green, sans-serif font. Underneath 'RISE', the words 'Resilience Innovations' are written in a smaller, green, sans-serif font. The entire logo is centered within a white rectangular area, which is bordered by a thick blue line.
