Our mission

Protecting communities that are vulnerable to flooding and sea level rise is a national issue that must be met with **national solutions**—it is vitally important to our country's citizen well-being, economic strength, and security.

With effective sea level rise planning our communities can adapt and thrive.
But we must act now.

Our policy platform

Economy

Invest in infrastructure and natural solutions that boost the economy and protect property values

Communities

Use smart planning to keep communities safe and save taxpayer dollars

Rebuilding

Build back stronger to protect communities from future flooding

Military

Ensure our military installations are ready to deploy 365 days a year

Legislative update

Now that the Defense Access Roads amendment has become law, we are working to add new, flexible funding to the program

Eligibility Amendment

- Submitted a **Sea Level Rise amendment** to the DAR program (former Rep. Taylor)
- This would allow use of DAR funds to address **flooding on military access roads**

Conference and Passage

- NDAA **signed into law in August 2018**
- DAR passed en bloc

Program Oversight & Implementation

- Congressional champions working to create **designated DAR account**
- **Congressional Oversight letter** (Rep. Luria)
- FY20 MILCON VA **report language** to address DoD's Report on DAR

Member benefits

A strong platform

to advocate as part of a nonpartisan group for national solutions to sea level rise and flooding that invest in and protect our coastal communities

A forum for best practices and support in developing local and state-level responses to sea level rise flooding

Opportunities and tools

to communicate on sea level rise challenges and solutions, including media opportunities
