Furthermore, proprietary information shall be submitted with the RFP printed packages under separate cover, or in a separate email attachment on the electronic submission, and both marked ‘proprietary’. Information not submitted under separate cover and not labeled proprietary shall be Public Information in accordance with State Statutes.

Authorized Contract Users
State Agencies, Institutions of Higher Education, Public Bodies, Community Service Boards, Towns, Cities, Counties, and other entities are authorized to use this contract in accordance with the Code of Virginia.

Disadvantaged Business Enterprises and Disadvantaged Minority Business Enterprises
The HRPDC operates in accordance with Title VI of the Civil Rights Act of 1964, 78 stat. 252 US C 2000d-2004d-4 and Title 49 CFR, Department of Transportation, Subtitle A, Office of the Secretary Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation. Minority business enterprises will be afforded full opportunity to submit bids in response to this invitation, and will not be discriminated against on the grounds of race, color or national origin in consideration for an award.

It is the policy of the HRPDC that Disadvantaged Business Enterprises (DBEs) as defined in 49 CFR Part 26 shall have the maximum opportunity to participate in the performance of federally funded contracts. A list of Virginia Department of Minority Business Enterprise certified DBE firms, is maintained on their web site (http://www.dmbe.state.va.us/) under the DBE Directory of Certified Vendors. Proposers are encouraged to take all necessary and reasonable steps to ensure that DBEs have the maximum opportunity to compete for and perform services on the contract, including participation in any subsequent supplemental contracts. If the proposer intends to subcontract a portion of the services on the project, the proposer is encouraged to seek out and consider DBEs as potential sub-proposers. The proposer is encouraged to contact DBEs to solicit their interest, capability and qualifications. Any agreement between a proposer and a DBE whereby the DBE promises not to provide services to other proposers is prohibited. HRPDC believes that these services support 10% DBE participation. If a DBE is not certified, the DBE must become certified (with the Virginia Department of Minority Business Enterprise) prior to your response being submitted. If a DBE is the prime proposer, the firm will receive full credit for planned involvement of their own forces, as well as the work that they commit to be performed by DBE sub-proposers. DBE prime proposers are encouraged to make the same outreach efforts as other proposers. DBE credit will be awarded only for work actually being performed by the DBE themselves. When a DBE prime proposer, or sub proposer, subcontracts work to another firm, the work counts toward DBE goals only if the other firm is itself a DBE. A DBE must perform or exercise responsibility for at least 30% of the total cost of the contract with its own force.

Certification of Eligibility: A signed statement on your letterhead stating that: “The firm is not ineligible to receive award of a contract due to the firm’s inclusion on any Federal...”
ore Virginia State lists of debarred contractors, or otherwise ineligible to be awarded a contract using Federal or State funds.”

The proposer submitting a request will be responsible for its prompt and actual delivery. Any interpretation or approval will be made by addendum duly issued. A copy of such addendum will be posted on the HRPDC’s website: www.hrpdcva.gov. HRPDC will not be responsible for any other explanations or interpretations of such documents which anyone presumes to make. Only questions answered by formal written addenda will be binding; oral and other interpretations or clarifications will be without legal effect.

Proposers must submit every request for interpretation or clarification regarding the services to be provided in writing; by email to Richard Case, rpcase@hrpdcva.gov or by facsimile transmission to (757) 523-4881, to the attention of Richard Case. Failure to receive such addenda shall not relieve proposers from any obligation under this proposal as submitted.
When inquiring, replying or forwarding, please list the RFP (i.e., GEN-RFP-2013-01) number in the subject line. This is used to direct the email or fax to the appropriate person so the HRPDC may provide prompt service to your request when staff are away from their desk.

Irregular Proposals

Proposals shall be considered irregular and may be rejected for any of the following reasons unless otherwise provided by law:

- If there are unauthorized additions or conditional proposals, or irregularities of any kind which may tend to make the proposal incomplete, indefinite, or ambiguous as to its meaning.

- If the proposer adds any provisions reserving the right to accept or reject any award, or to enter into a contract pursuant to an award.

- If the proposer fails to meet the proposal specifications or is unresponsive to proposal specifications, questions, and/or terms.

- If the proposal fails to include an authorized proposer representative’s signature on company letterhead.

Withdrawal or Revision of Proposals

A proposer may, without prejudice, withdraw a proposal submitted prior to the date and time specified for receipt of proposals by requesting such withdrawal in writing before the time set for receiving proposals. Telephonic communications for withdrawal shall not be accepted.

Any proposer may modify his/her proposal by facsimile communication at any time, provided such communication is received by HRPDC prior to the due date of proposals. The communication should not reveal the proposal price, but should provide the addition or subtraction or other modification. If written confirmation is not received within two days after the fax, no consideration will be given to the facsimile modification.

HRPDC reserves the right to discontinue this RFP before selection process is complete for any reason, including, but not limited to, lack of funding.

Insurance

Prior to starting work, proposers will furnish the HRPDC a certificate of insurance as evidence of the existence of the following insurance coverage in amounts not less than the amounts specified below:

- Comprehensive General Liability: $1,000,000 per occurrence.

- Workmen's Compensation: As required by Federal and State Worker’s Compensation and occupational statutes.

- Professional Liability: $1,000,000 per claim.
The Certificate of Insurance will provide for thirty days (30) written notice to the HRPDC by the Insurance Company prior to cancellation or material change in policy coverage.

Proposal Evaluation

The proposal will be evaluated using the following criteria:

- Responsiveness to Scope of Work and Proposal Requirements.
- Professional competence of the firm, including qualifications and competence of key personnel related to the specific areas for which the firm is proposing.
- Experience with similar projects and submission of previous work samples.
- Record of the firm in accomplishing work on other projects with respect to such factors as the quality and adequacy of the work, resource allocation, ability to meet schedules, innovative approaches and cost control.
- Accessibility of the firm and the ability of key personnel to visit the project area.
- Ownership of firm by minority or participation of minority personnel, or subcontractors on the project.
- How well established the firm is in this area of expertise.

After the Evaluation Panel’s (EP) initial evaluation of the proposals, the EP (or its designees) may, if necessary, hold interviews with the top ranked proposers. Proposers selected for an interview will be contacted by 08/17/12. Each interview will be no more than 60-minutes, with the proposer’s presentation limited to not more than 20-minutes. Any area of specific concern will be identified before the interview. The HRPDC reserves the right to select a proposer based solely on written proposals and not convene oral interviews. If interviews are required, they will be held on 08/27/12.

HRPDC reserves the right to reject any and all proposals and waive any and all informalities and the right to disregard all nonconforming or conditional proposals or counter proposals. HRPDC reserves the right to reject any proposal if investigation of such proposer fails to satisfy HRPDC that such proposer is properly qualified to carry out the obligations and to complete the work contemplated by the contract documents.

Any and all proposals will be rejected if there is reason to believe that collusion exists among the proposers. The signature on the face of the proposal certifies that the proposal is made without prior understanding, agreement, or connection with any corporation, firm, or person also submitting a proposal for the same services, and is in all respects fair and without collusion or fraud. Collusive bidding is a violation of the Virginia Governmental Frauds Act and federal law and can result in fines, prison sentences, and civil damage awards. Proposer’s signatory agrees to abide by all conditions of this proposal and certifies that he/she is authorized to sign the proposal for the proposer.

9. **PURCHASE ORDER/CONTRACT.** This resulting purchase order/contract shall be governed in all respects, whether as to validity, construction, capacity, performance, or otherwise by the laws of the Commonwealth of Virginia.

10. **KICKBACK.** By signing this contract, the Proposer certifies that he/she has not offered or received any kickback from any other proposer, supplier, manufacturer, or subcontractor in connection with this proposal. A kickback is defined as an inducement for the award of the contract, subcontract, or order through any payment, loan, subscription, advance, deposit of money, services, or anything of value in return for an agreement not to compete on a public contract.

12. **NONDISCRIMINATION.**

Disadvantaged Minority Business Enterprises: It is the policy of the *HRPDC* that Disadvantaged Business Enterprises (DBEs) as defined in 49 CFR Part 26 shall have the maximum opportunity to participate in the performance of federally funded proposer contracts. A list of Virginia Department of Minority Business Enterprise certified DBE firms is maintained on their web site (http://www.dmbe.state.va.us/) under the DBE Directory of Certified Vendors. Proposers are encouraged to take all necessary and reasonable steps to ensure that DBEs have the maximum opportunity to compete for and perform services on the contract, including participation in any subsequent supplemental contracts. If the proposer intends to subcontract a portion of the services on the project, the proposer is encouraged to seek out and consider DBEs as potential sub-proposers. The Proposer is encouraged to contact DBEs to solicit their interest, capability and qualifications. Any agreement between a proposer and a DBE whereby the DBE promises not to provide services to other proposers is prohibited. HRPDC believes that these services support 10% DBE participation. If a DBE is not certified, the DBE must become certified (with the Virginia Department of Minority Business Enterprise) prior to your response being submitted. If a DBE is the prime proposer, the firm will receive full credit for planned involvement of their own forces, as well as the work that they commit to be performed by DBE
sub-proposers. DBE prime proposers are encouraged to make the same outreach efforts as other proposers. DBE credit will be awarded only for work actually being performed by the DBE themselves. When a DBE prime proposer, or sub-proposer, subcontracts work to another firm, the work counts toward DBE goals only if the other firm is itself a DBE. A DBE must perform or exercise responsibility for at least 30% of the total cost of the contract with its own force.

Certification of Eligibility: A signed statement on your letterhead stating that: “The firm is not ineligible to receive award of a contract due to the firm’s inclusion on any Federal or Virginia State lists of debarred contractors, or otherwise ineligible to be awarded a contract using Federal or State funds.”

In its performance of work activities under this Contract, the Proposer warrants that it will not discriminate against any employee, or other person, on account of race, color, sex, religious creed, ancestry, age, national origin or handicapped status. The Proposer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provision of this nondiscrimination clause.

The Proposer shall, in all solicitations or advertisements for employees placed by or on behalf of the HRPDC, state that the Proposer is an equal opportunity employer; provided, however, that notices, advertisements and solicitations placed in accordance with federal law, rules, or regulations shall be deemed sufficient for the purpose of meeting the requirements of the Contract.

The Proposer shall include the provisions of the foregoing paragraphs in every subcontract or purchase order of over $10,000, so that such provision shall be binding upon each subcontractor or vendor.

All proposers shall abide by applicable state and federal laws including, but not limited to, all provisions of the Americans with Disabilities Act. Each proposer agrees to hold the HRPDC harmless regarding all claims in connection with the proposer’s failure to comply with applicable laws and regulations.

13. **CHANGES.** The HRPDC may direct changes within the general Scope of Work in this Contract. Any Change will require prior notice to the Proposer and agreement on the price of the change. The Proposer must obtain prior written approval from the Commission for any changes to the project, including, but not limited to, changes of substance in program activities, designs, or plans set forth in Attachment A, which are proposed by the Proposer. If such changes affect the Proposer’s cost of or time required for performance of the services, an equitable adjustment will be made through an amendment to the Contract.

14. **TERMINATION FOR CAUSE.** The HRPDC reserves the right to terminate the Contract, in whole or in part, at any time before the date of completion, upon written notice to the Proposer that it has failed to comply with the conditions of the Contract. The Proposer shall not incur new obligations for the terminated portion of the project after the date of the termination notice, and shall cancel as many outstanding obligations as possible. In the case of a termination for cause, the HRPDC shall pay for contracted services successfully completed by the Proposer through the effective date of the termination. The HRPDC will not be liable for damages or costs of any kind following termination and final payment to the Proposer, specifically including claims
for anticipated profit. Any damages of the HRPDC associated with a termination for cause shall be compensated for or recovered by the HRPDC through separate agreement.

15. **TERMINATION FOR CONVENIENCE.** The HRPDC may terminate the Contract, in whole or in part, if the HRPDC determines that the continuation of the Contract supported activities will not produce beneficial results commensurate with further expenditure of funds. The Proposer shall not incur new obligations for the terminated portion after termination notice and shall cancel as many outstanding obligations as possible. In the case of a termination for convenience, the HRPDC shall pay for contracted services, rendered by the Proposer through the effective date of the termination. The HRPDC will not be liable for damages or costs of any kind following termination and final payment to the Proposer, specifically including claims for anticipated profit.

16. **MAINTENANCE OF RECORDS.** The Proposer shall maintain all required records and provide the HRPDC an audit in accordance with applicable state and federal laws and Generally Accepted Accounting Procedures. That audit will be reviewed by the HRPDC for compliance with state and federal laws and regulations. The Proposer will ensure that appropriate corrective action is taken within six months after receipt of the audit report in instances of noncompliance with state and federal laws and regulations.

The Proposer agrees to retain all books, records and other documents relative to this Contract for three (3) years after final payment, or until the Project is audited by the Commission, whichever is later. The HRPDC, its authorized agents and/or auditors shall have full access to and right to examine any of said materials during said period.

17. **COLLATERAL CONTRACTS.** Where there exists any inconsistency between this Contract and other provisions of collateral contractual agreements which are made a part of this Contract by reference or otherwise, the provisions of this Contract shall control.

18. **PRIME PROPOSER RESPONSIBILITIES.** The Proposer shall be responsible for completely supervising and directing the work under this contract and all subcontractors that he may utilize, using his best skill and attention. Subcontractors who perform work under this contract shall be responsible to the prime proposer. The Proposer agrees that he is as fully responsible for the acts and omissions of his subcontractors and of persons employed by them as he is for the acts and omissions of his own employees.

19. **INTEGRATION AND MODIFICATION.** This Contract constitutes the entire Contract between the Commission and the Proposer. No alteration, amendment, or modification in the provisions of the Contract shall be effective unless it is reduced to writing, signed by the parties and attached hereto.

20. **SEVERABILITY.** Each paragraph and provision of this Contract is severable from the entire Contract; and, if any provision is declared invalid, the remaining provisions shall nevertheless remain in effect, at the option of the HRPDC.

21. **INDEMNIFICATION.** Proposer agrees to indemnify, defend and hold harmless the HRPDC and the Commonwealth of Virginia, its officers, agents, and employees from any claims, damages and actions of any kind or nature, whether at law or in equity, arising from or caused by the use
of any materials, goods, or equipment of any kind or nature furnished by the Proposer, provided that such liability is not attributable to the sole negligence of the using agency or to failure of the using agency to use the materials, goods, or equipment in the manner already and permanently described by the Proposer on the materials, goods or equipment delivered.

22. **INVENTIONS AND COPYRIGHTS.** As, and only as, requested by the HRPDC, the Proposer shall apply, or promptly and willingly assist (including without limitation by executing and delivering documents) the HRPDC in applying, for patent, copyright, and/or other intellectual-property protection of any inventions, discoveries, documents, designs, drawings, papers, notes, forms, interim reports, final reports, graphics, images, computer programs and data, other works of authorship, and other information and/or materials, whether in electronic, magnetic/optical-media, or printed form, (collectively, “Materials”) prepared by the Proposer in the performance of its obligations under this Contract. The provisions of this paragraph are further subject to the provisions of Paragraphs 23 and 24 of this Contract.

23. **OWNERSHIP OF MATERIALS.** The Proposer acknowledges and agrees that the HRPDC has and shall have ownership of any and all Materials prepared by the Proposer in the performance of its obligations under this Contract. The Proposer shall promptly disclose to the HRPDC any and all Materials and, at the HRPDC’s request, shall provide the HRPDC with one or, if so requested by the HRPDC, more electronic, magnetic/optical-media, and/or printed copies of each of the Materials. The Proposer may retain electronic, magnetic/optical-media, and/or printed copies of the Materials and with the HRPDC’s prior written consent on a case-by-case basis, use such copies, but only in the course of the Proposer’s business and provided that the Proposer includes on any and all such Materials, regardless of form, any and all appropriate notices of the HRPDC’s rights, including without limitation its intellectual property rights, in and to the Materials. The provisions of this paragraph are further subject to the provisions of Paragraph 22 of this Contract.

24. **CREATION OF INTELLECTUAL PROPERTY.** The Proposer acknowledges and agrees that the HRPDC owns and shall own any and all patent rights, copyrights, other intellectual property rights, and any and all other proprietary rights in and to the Materials prepared by the Proposer in the performance of its obligations under this Contract. The Proposer agrees to assign, and hereby does assign, to the HRPDC any and all rights, including without limitation copyrights and any other rights arising under Title 17 of the United States Code, that the Proposer would, except for such assignment, have in and to the Materials. With the HRPDC’s prior written consent, the Proposer may create and use, but only in the course of the Proposer’s business, derivative works based on the Materials. The preceding does not apply to any background materials which Proposer supplies to complete [the task] which is subject to preexisting copyright protections.

25. **CONFIDENTIALITY.** The Proposer expressly acknowledges and agrees that all reports, documents and communications of every kind, whether written or oral, concerning specific contractual matters, planning or assumptions received in the performance of the work from the HRPDC, its staff, Board, legal counsel, or other agents or advisors (collectively “Confidential Information”) shall be held in strictest confidence and maintained as strictly confidential. Confidential Information shall include information that, when taking into consideration the
circumstances surrounding disclosure of the same, a reasonable person would consider being confidential or proprietary. This provision shall not apply to information which (1) has been published and is in the public domain, (2) has been provided to Proposer by third parties who have the legal right to possess and disclose the information, (3) was in the possession of Proposer prior to the disclosure of such information to Proposer by the HRPDC, (4) is required by law or any governmental agency to be disclosed, or (5) would require disclosure to comply with the ethical obligations of Proposer to protect the public.

No Confidential Information shall be disclosed to other clients of the Proposer, other proposers, private companies, public entities, the media, the general public, or any other third party unless directed to do so by HRPDC’s Executive Director. However, such Confidential Information may be documented in briefing materials provided to the HRPDC and its staff; provided such briefing materials are clearly annotated as Confidential Working Papers.

The Proposer shall take all appropriate and necessary steps to protect Confidential Information and to limit access to Confidential Information in its possession to those of its employees, agents and subcontractors required to have access to the Confidential Information in the performance of this work and who are bound in writing to keep the information confidential pursuant to confidentiality agreements with terms no less restrictive than those contained in this Agreement. The Proposer shall include these confidentiality provisions in any agreement between the Proposer and a subcontractor or agent related to the performance of the work so that these provisions will be binding upon them with equal and like effect. The Proposer shall be responsible for communicating to each party identified in this paragraph C who receives or is given access to Confidential Information the terms of these provisions and the obligations of that party to abide by the requirements hereof.

Upon completion of performance of the work, the Proposer, its agents and any subcontractors, agree to deliver to the HRPDC all Confidential Information obtained during performance of the work, in any medium, and, if requested by the HRPDC, to provide written confirmation that all such Confidential Information has been delivered to the HRPDC; provided, however, Proposer may retain a record copy of its work product.

The Proposer shall immediately notify the HRPDC if the Proposer learns of any unauthorized use or disclosure of Confidential Information and will cooperate in good faith to remedy such occurrence immediately to the extent reasonably possible.

In the event that Proposer becomes legally compelled to disclose any such Confidential Information, Proposer will provide the Commission with prompt notice so that the HRPDC may seek a protective order or other appropriate remedy; in the event that such protective order or other remedy is not obtained, Proposer will furnish only that portion of the Confidential Information which Proposer is advised by opinion of counsel is legally required and will cooperate with the HRPDC in seeking reliable assurance that confidential treatment will be accorded the Confidential Information.

The Proposer acknowledges and agrees that a violation of the provisions of this confidentiality requirement may cause irreparable damage to the HRPDC, and these confidentiality provisions are made for the express benefit of and shall be enforceable by any of the Affected Parties. Proposer agrees that these provisions may be specifically enforced in any court of law having
jurisdiction. In addition to and not in limitation of any other rights or remedies the Affected Party may have for a breach of the provisions of this confidentiality requirement, the Affected Party may recover money damages, subject to the limitations in Section 14; and in addition to money damages, the Affected Party shall be entitled to obtain equitable relief for any such breach (without requirement of bond or corporate surety) so that Proposer shall be required to cease and desist immediately from breaching such provision (it being agreed that damages alone would be inadequate to compensate the Affected Parties and would be an inadequate remedy for such breach).

These provisions shall expressly apply to and bind the Proposer, its agents, officers, employees, subcontractors and any permitted assigns.

26. **CONFIDENTIALITY OF PERSONALLY IDENTIFIABLE INFORMATION.** The Proposer assures that information and data obtained as to personal facts and circumstances related to patients or clients will be collected and held confidential, during and following the term of this agreement, and will not be divulged without the individual's and the agency's written consent and only in accordance with federal law or the Code of Virginia. Proposers who utilize, access, or store personally identifiable information as part of the performance of a contract are required to safeguard this information and immediately notify the agency of any breach or suspected breach in the security of such information. Proposers shall allow the agency to both participate in the investigation of incidents and exercise control over decisions regarding external reporting. Proposers and their employees working on this project may be required to sign a confidentiality statement.

27. **CONTINGENT FEE WARRANTY.** The Proposer warrants that it has not employed or retained any person or persons for the purpose of soliciting or securing this Contract. The Proposer further warrants that is has not paid or agreed to pay any company or person any fee, commission, percentage, brokerage fee, gift, or any other consideration, contingent upon the award or making of this Contract. For breach of one or both of the foregoing warranties, the Commission shall have the right to terminate this Contract without liability, or in its discretion, to deduct from the agreed fee, amount of said prohibited fee, commission, percentage, brokerage fee, gift, or contingent fee.

28. **CONFLICT OF INTEREST.** The Proposer warrants that it has fully complied with the State and Local Government Conflict of Interests Act.

29. **DISCLAIMER.** Nothing in this Contract shall be construed as authority for either party to make commitments, which will bind the other party beyond the project contained herein.

30. **USE OF FUNDS.** Funds, paid by the HRPDC, shall only be used for the purposes and activities covered in Attachment A.

31. **FISCAL CONTROL.** The Proposer shall establish fiscal control and fund accounting procedures which assure proper disbursement of, and accounting for, project funds, including any required matching funds.

32. **STANDARD OF CARE.** The standard of care applicable to the Proposer’s services will be the degree of skill and diligence normally employed by professional proposers performing the same
or similar services at the time said services are performed. The Proposer will re-perform, without additional compensation, any services not meeting this standard.

33. **FORCE MAJEURE.** If performance of the Services is affected by causes beyond the Proposer’s reasonable control, project schedule and compensation shall be equitably adjusted.

34. **DISPUTE RESOLUTION.** The parties will use their best efforts to resolve amicably any dispute, including use of alternative dispute resolution options.

35. **NOTICE TO PROCEED.** Execution of the contract by both parties will constitute a Notice to Proceed. A separate Notice to Proceed will be required prior to beginning any additional services as may be directed by the HRPDC.
