2. Public Comments

3. Briefing on Water Resources Activities at The Mariners' Museum and Park

The mission of The Mariners' Museum and Park is to connect people to the world's waters. As part of that mission, The Mariners' Museum is exploring ways it can participate in and contribute to the work of the region's water resources professionals, as well as bring awareness of water-related issues to residents of Hampton Roads. Howard Hoege, President and CEO, and Erica Deal, Park Stewardship Coordinator, will provide an update on their work, and seek input from the Committee on how the museum can use its expertise and resources to further the region's efforts to improve water quality and resilience.

ACTION: None required

4. Chesapeake Bay Phase III Watershed Implementation Plan Update

HRPDC staff will brief the Committee on the Chesapeake Bay draft Phase III Watershed Implementation Plan (WIP). The Office of the Secretary of Natural Resources briefed the Commonwealth's stakeholder advisory group and presented parts of the plan at Environment Virginia. The plan will be released in mid-April followed by a public comment period.

ACTION: None required

5. Update on askHRgreen.org Initiatives

Katie Cullipher, HRPDC Principal Environmental Education Planner, will provide information about askHRgreen.org's Straw-free Earth Day promotion to local restaurants and "Team Up 2 Clean Up," a regional coordination of Great American Cleanup events happening on May 3 and 4.

ACTION: None required

6. Environment Virginia Symposium Highlights

HRPDC staff will provide a briefing on noteworthy items from the Environment Virginia Symposium.
