

- Pet waste stations have arrived and are available for pickup. Please coordinate with Mary Eason in Chesapeake to pick up your stations immediately.
- The remaining \$1,600 budget will go towards four rain barrel workshops:
 - Workshops: Hampton (spring), Suffolk (spring), Newport News (October), Chesapeake (October)
 - Workshop hosts offered to have all barrels delivered at once with spring hosts storing the barrels over winter.

The Committee discussed an application for the FY21 Chesapeake Bay Restoration Fund. Ideas included:

- Clean the Bay Day vinyl decal outreach initiative
- Pet Waste stations
- Rain Barrel workshops

ACTION: Committee members should continue to consider projects for inclusion in the FY21 application to the CBRF grant.

7. Printing & Promotional Items

The Committee continued to discuss promotional items to support a fall lawn care and leaf disposal campaign:

- Black eyed Susan seed packets - on order
- Dog waste bag holders - on order

ACTION: None.

8. Roundtable

- James City County – citizen water quality testing training sessions
- Hampton – Crabtown Seafood Festival, kayak cleanups, International Coastal Cleanup, Paint Out Pollution project from James River Association was not a project that included engagement from Hampton Stormwater/Clean City Commission
- Williamsburg – Meet the Greens event with new William & Mary students
- Virginia Beach – Lynnhaven Ecosystem Restoration project

ACTION: None.

9. Staff Reports

Budget – FY20 budget was reviewed.

Digital Marketing Report – HRPDC staff presented information from the monthly digital marketing report for July.

ACTION: None.

Next Committee Meeting is scheduled for Friday, September 20, 2019 in Newport News.
