NORFOLK INTERNATIONAL AIRPORT

Airport Review
Fundamentals

• Norfolk International Airport (ORF) is managed and developed by the Norfolk Airport Authority, a subdivision of the Commonwealth of Virginia.
• The Authority is governed by a nine-member board of commissioners appointed by Norfolk City Council.
• ORF generates all revenue for operations through user support.
• ORF receives no local taxes.
• ORF has full authority to plan, design, finance and construct facilities without City oversight.
• CEO Transition
Fundamentals Cont’d

• In 2021, seven airlines provided nearly 20,000 departures and over 2,200,000 seats from Norfolk to 35 nonstop destination airports.

• ORF is ranked in the top 14% of US commercial airports in 2021 with over 3,300,000 passengers served.

Our Commitment: Create and maintain a welcoming and safe environment for our employees, patrons, and stakeholders.

Our Facility: Optimize and modernize our physical facilities and assets to create and sustain growth, expand economic development opportunities, and diversify our revenue sources.
ORF Outlook

• Our 1.7M regional population, strong tourism base, maritime industry, and military/government economy make Hampton Roads attractive to the airlines.
• Service by 7 major, low cost and niche airlines represent a well-served and growing airport.
• We may see more near-term growth from the ultra low-cost carriers than the majors.
• Norfolk International Airport has a long-range plan to grow as the region grows.
