

Universal Changes:

1. Change graphic beside the drop off section to look like a car or truck not a bus (green section)
2. On "Paper & Cardboard" icon, add "Clean, Dry & Folded"
3. Rename YELLOW section to "Other Disposal Options"
4. Add flat screen TV/monitor as icon on electronics category
5. Move collection events button from "These can be dropped off" to "Other Disposal Options" and keep existing button but change from "Who to Call" to "Get More Information"
6. Differentiate alkaline batteries v. rechargeable batteries
7. Metal Cans: swap out the pie plate image for a vegetable or soup can
8. Add text under "Keep these out of the recycling container" that explains contamination. (For example: These items contaminate recyclables and make recycling more challenging. Please don't put them in the recycling.)
9. Common Contaminants: Add "donate" as small label under clothing
10. Drop off section: add "donate" under clothing icon
11. Create graphic/category for household hazardous waste (maybe use bottle of poison as the icon?) Add HHW icon to all localities under the "Additional disposal options" category

Gloucester specific request

12. Common Contaminants: add glass & cartons
