**WINDSdays**

Building a culture around clean energy, a green environment, and the power of wind to make a positive impact on our lives and local economy.
WINDSdays Builds Partnerships with Schools, Businesses, Non-Profits and Other Groups
We Find WINDSday Fans Everywhere!
Wind Energy ROX – On three luxury coaches, we brought 45 CTE welding students from Portsmouth, Chesapeake and Virginia Beach to the site of the nation’s first blade finishing plant in Portsmouth.
Our Fans Even Make WINDSday Products and Stage Promotions
It’s WINDSday Newsletter Comes Out Every WINDSday
