

2017-18 Chesapeake Bay Restoration Fund Grant Discussion

July 31, 2017 at the HRPDC office

Katie Cullipher, HRPDC
Rebekah Eastep, HRPDC
Sue Kriebel, Virginia Beach

Allison Watts, Newport News
Jamie Durden, Suffolk

- Mini Grants - \$2500 budget – will report on stormwater mini grant projects at end of grant term.
- Pet Waste Stations – grant will provide for 13 stations – HRPDC staff will request inventory levels and poll committee on additional committee group purchase.
- Bay Star Homes
 - Inventory of BSH supplies needed
 - Workshops – Allison & Jamie will coordinate on this to host the same topics/speakers in two separate workshops – one on southside, one on peninsula
 - Business Outreach
 - Coordinate with commercial outreach efforts of Stormwater Education Committee: targeting landscaping, pool, mobile care care, etc. businesses
 - Look at how VA Green/ERP/other business outreach programs are administered
 - Discuss expansion with Norfolk to ensure we're working in tandem
 - Materials needed for businesses: rack card/business pledge info, decal window cling, BSB logo
- Green Learning Guides
 - Look at SOLs to determine target grade level(s), research elementary schools in Hampton Roads & numbers of students in target grade level(s)
 - HRPDC staff to research quotes for printing guides (\$5,000 budget will not cover this) and discuss aid from the other partnering askHRgreen committees
 - Find examples to bring to next planning meeting
 - Draft planning schedule
 - September – kick off meeting for content discussion
 - October/November – content research and creation
 - December – draft content doc sent to RCS for design/layout
 - January/February – rough drafts ready to review
 - March – revisions
 - April/May – final document ready to publish (send to printer?)
