### **How it works...**

Give Local 757 is the largest fundraising event in Hampton Roads. For 24 hours, beginning at midnight on May 9, everyone can be a philanthropist by donating online or by mailing a check to the Peninsula Community Foundation to support the H2O Program. Donations to registered nonprofits will be amplified with \$55,000 in prizes! Choose to help a local family in need by supporting the Help to Others (H2O) Program during Give Local 757.
