

- Article from the *Energy News Network* titled “For Virginia transit agency, electric buses to meet climate, equity goals” related to sustainability and alternative energy

Mr. Crum referred Commission members to *The Smithfield Times* article interviewing HRPDC Chair Andria McClellan. The article includes some important initiatives that would impact the western part of the region. He also referenced the *Energy News Network* article regarding HRT’s purchase of electric buses and how that relates to renewable energy goals.
