

Lead and Copper Rule Subcommittee

First Meeting – Held November 10

1. Concerns on documenting the methodology and inventory
2. No guidance on how to prove that a community has completed a thorough inventory
3. Unsure of which schools have submitted a testing plan and who still needs help
4. How to fund and navigate the legality of private side lead service line replacement
5. Day care outreach

Next Steps

1. Develop a list of daycares and licensed facilities in Hampton Roads
2. Schedule next meeting of the subcommittee after the LCRR has been released
3. Develop an inventory of what other cities have done
 1. will work with the subcommittee to highlight strong programs
