Chesapeake, VA 23320**

**I. Call to Order/ Introductions**

**II. Approval or Modification of Agenda**

**III. Public Comment**

Members of the public will be provided an opportunity to address the CAO Recycling Subcommittee. Comments should be limited to three minutes per speaker.

**IV. Goals for Subcommittee**

**V. Background Information on Hampton Roads Recycling**

At the June 2, 2021 CAO meeting, the Committee discussed the current state of recycling in Hampton Roads, including contract status and challenges with local programs, current commodities markets for recyclable materials, as well as opportunities and barriers to regional collaboration and coordination.

The state mandates localities meet the established recycling rate, and residents see recycling as an essential public service. How can localities work together to provide this service in the most cost-effective and efficient manner?

**VI. Roundtable Discussion**

Each Subcommittee member will be asked to provide a brief report on recycling efforts for their locality.

**VII. Other Business**

**VIII. Next Steps**

**IX. Adjournment**
