

AGENDA NOTE – HRPDC EXECUTIVE COMMITTEE MEETING

ITEM #4 FEDERAL FACILITIES BRIEFING

SUBJECT:

HRPDC staff, with assistance from the Hampton Roads Military and Federal Facilities Alliance (HRMFFA) will provide a brief overview on the role of the federal government in Hampton Roads.

BACKGROUND:

During the HRPDC retreat in May of this year, staff requested input from the Commissioners on both the format and content of monthly commission meetings. One request referenced in multiple group discussions was to provide briefings on topics of regional importance, such as education, economic development, and the condition of the region's federal/defense presence.

In response to this request, HRPDC staff reached out to HRMFFA to assist in providing a briefing to the Commission on the federal presence in the region.

Mr. Greg Grootendorst, HRPDC Chief Economist, and Mr. James Clary, HRPDC Senior Economist, will provide a briefing on the federal presence in Hampton Roads, as well as information regarding the impact of the federal government on the regional economy.
