Dear Andrew,

***It is a great pleasure to announce that Hampton Roads Planning District Commission is a Sustained Distinguished Performance River Star Business!*** Our River Restoration Advisory Committee, comprised of River Star peers and technical experts, reviews River Star documentation every fall for entry and advancement in the program. The committee unanimously agreed Hampton Roads Planning District Commission should be recognized for Sustained Distinguished Performance at Commitment Level. Sustained Distinguished Performance represents completion of a significant new initiative by a River Star. You can be very proud of this outstanding achievement!

We look forward to celebrating your accomplishments at the Annual Recognition Event, which will be held ***virtually this year on Thursday, January 21, 2021 from 10am – 11am*** with a fun and meaningful program to be produced with the help of Virginia Media. Don't miss this chance to celebrate your achievements, despite the times! Also, join us later the day of the event at 4pm for a virtual Happy Hour - and even a chance to pick up a flight of real brew thanks to sponsor Smartmouth Brewery. As an awardee, you'll receive two "doin' right by the river" face masks as well as a framed award. More details on registration and logistics to follow.

Thank you for your stellar progress this year to help restore the Elizabeth River!

Wishing you continued success,

Marjorie Mayfield Jackson  
Executive Director
