

The National Disaster Resilience Competition is a grant program offered by the U.S. Department of Housing and Urban Development that will make \$1 billion available to communities that were significantly affected by natural disasters between 2011 and 2013. The goal of the program is to fund innovative resilience projects to help communities address current and future risks from storms and other extreme events. The HRPDC staff will update the Committee on the status of the state's application.

ACTION: None.
