

Option 1B. [FOG]

:12

ANNOUNCER: In Hampton Roads, we live, work and play surrounded by waterways that don't know local boundaries. That's why we need to work together, protecting these valuable resources.

:12 DOUGHNUT HOLE [FOG]

What can you do to help? Keep kitchen grease, food scraps, paper towels, wipes, and other trash out of your household pipes. It causes blockages and overflows, which is costly and frustrating.
