

**AGENDA NOTE – HRPDC EXECUTIVE COMMITTEE MEETING**

**ITEM #5 2013 HURRICANE FORECAST**

**SUBJECT:**

A review of the predicted 2013 Hurricane Forecast

**BACKGROUND:**

The National Oceanic and Atmospheric Administration (NOAA) Climate Prediction Center is forecasting an active or extremely active 2013 Hurricane Season. Curtis Brown, HRPDC Emergency Management Administrator, will provide an overview of NOAA's prediction and community preparedness efforts being conducted via Ready Hampton Roads. Next month, the Commission will be provided with an in-depth presentation on hurricane preparedness planning by the Regional Catastrophic Planning Team (RCPT).

**RECOMMENDED ACTION:**

For information purposes only.
