

NAVFAC Mid-Atlantic

Hampton Roads Region Joint Land Use Study Norfolk / Virginia Beach

CAPT DEAN VANDERLEY
COMMANDING OFFICER, NAVFAC MID-ATLANTIC
DIRECTOR, FACILITIES & ENVIRONMENTAL
NAVY REGION MID-ATLANTIC

Joint Land Use Study: Tool to Promote Compatible Use

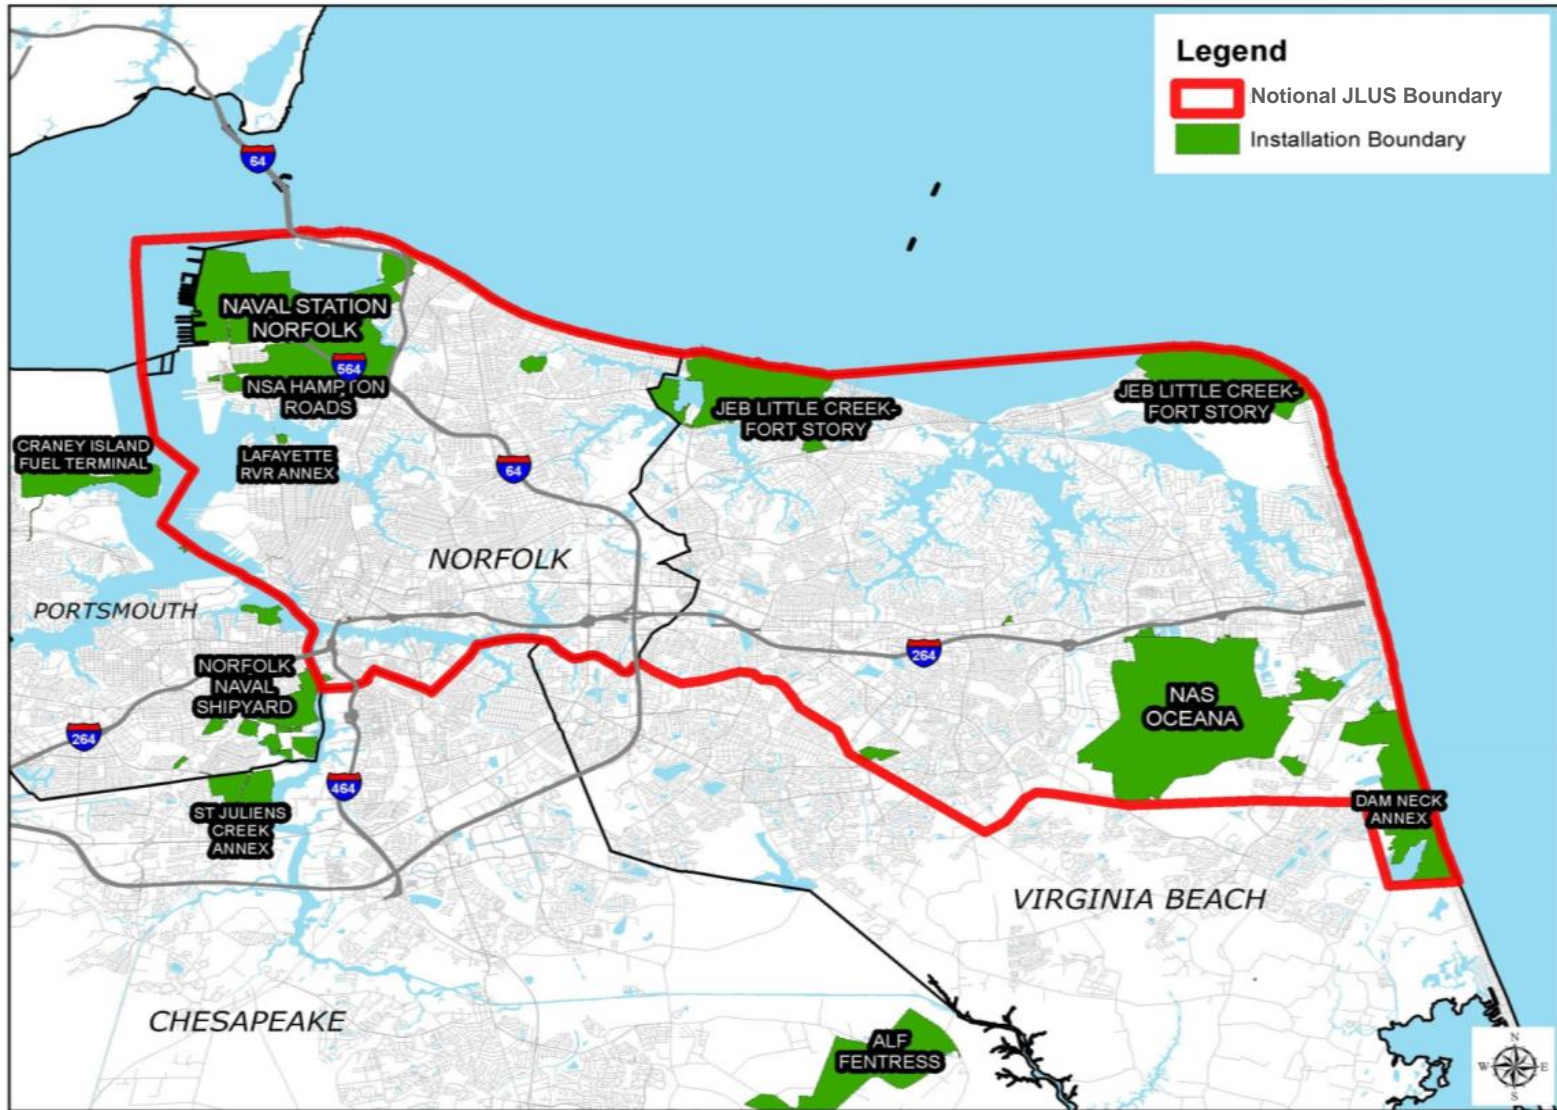

- **Goal**: Achieve compatibility between military and local communities by protecting and preserving military readiness / defense capability while supporting economic development
- Initiated through Military Department nomination
- Cooperative, community-driven effort with local military participation
- Assessment of compatible use factors followed by development of strategic plan to promote compatible civilian development
- Community leadership group established with DoD, local governments, the State, and private sector to guide compatible development

SOURCE: OFFICE OF ECONOMIC ADJUSTMENT (OEA)

Hampton Roads Region JLUS Norfolk / Virginia Beach

Naval Station Norfolk

- Mission: Naval Station Norfolk supports the operational readiness of the U.S. Atlantic Fleet and provides facilities and services required by tenant commands to accomplish their missions.
- Largest Navy base in the world - 6,200 acres with special areas (Crane Island) and 12.4 miles of waterfront

- Homeport to aircraft carriers, cruisers, destroyers, large amphibious ships, submarines, and a variety of supply and logistics ships.
- 13 piers with up to 56 ships, 8,200 FT. runway and 19 squadrons with ~190 aircraft (including Helos)

- 513 significant facilities > 1,000SF
- 67,000 personnel (military, civilians and contractors)
- \$4.3 Billion Economic Impact to the Hampton Roads region in FY15

Naval Air Station Oceana (NAS) & Dam Neck Annex

- Mission: To train and deploy the Navy's Atlantic Fleet strike fighter squadrons of F/A-18 Hornets and Super Hornets and integrate the shore-based readiness of the Navy's Atlantic and Pacific Fleet Force of Strike-Fighter aircraft & Joint/Inter-Agency operations
- 8500 acres of land with 4 runways
- 17 strike fighter squadrons of F/A-18 Hornets and F/A-18 Super Hornets with 300 aircraft and 219,000 annual training operations
- 131 resident commands with 1,115 housing units
- 16,555 personnel (military, civilians and contractors)
- \$1.1 Billion Economic Impact to the Hampton Roads region in FY15
- Successful JLUS effort in 2005 focused on Navy air operations in Hampton Roads

Joint Expeditionary Base Little Creek - Fort Story (JEBLCFS)

- Mission: Ensure the operational readiness of the nation's expeditionary forces
- Joint Expeditionary Base is comprised of the former Naval Amphibious Base Little Creek and the Army Post, Fort Story (Oct 2009)
