askHRgreen Recycling & Beautification Committee will host the Great American Cleanup, March 26-27. Small groups of volunteers are needed to assist with community cleanups. Registration is open now at [askHRgreen.org](http://askHRgreen.org).

**Action:** None.

### 3. FY21 Campaigns

HRPDC staff reviewed the FY21 media schedule.

- Grease Grinch scheduled (11.23 - 12.06) – HRPDC staff provided an overview of the Grease Grinch campaign summary report.
- What Not to Flush (February 8-21) - Campaign uses existing creative with the chalkboard art theme.

**Action:** None.

### 4. Printing & Promotional Materials

HRPDC staff can provide promotional materials for pickup at HRPDC offices upon request. A portion of the promotional item budget went towards consultant fees this fiscal year and the half-page WNTF stickers are currently on order.

- The Committee would like pricing on the following items:
  - Sink strainers
  - Measuring tapes (six-foot, with keychain)
  - No grease sticker in a three-inch sticker size
  - Clear 18-inch rulers

HRSD needs to be invoiced for extra coloring books ordered as part of the regional order.

HRPDC staff has recommended reprinting the 6<sup>th</sup> grade Green Learning Guide as there are currently none in stock. The reprint would only be for outreach purposes not to support a distribution to all 6<sup>th</sup> grade students. The mini grant program has not received many applications during FY21 due to continuing school closures so the mini grant budget could be used to support the reprinting. The Committee supported reprinting the 6<sup>th</sup> grade Green Learning Guides using the available mini grant budget.

**Action:** HRPDC staff will request quotes for promotional items as requested.

### 5. FOG Regional Program

On December 2, the regional Directors of Utilities Committee endorsed the updated FOG Model Ordinance and approved the updates to the Regional Technical Standards for Grease Control Devices.

- HRSD would like to have updated Regional Technical Standards for Grease Control Devices showing approved date on the HRFOG.com site.

HRPDC staff has created a tracking document for each locality to provide details about changes to local FOG programs. Localities were encouraged to provide updates as they become available:

[https://docs.google.com/spreadsheets/d/1jjez5Jhdqc4dqunnWd\\_ZrkQL6b4vXeWz-nRzfBTXopk/edit#gid=0](https://docs.google.com/spreadsheets/d/1jjez5Jhdqc4dqunnWd_ZrkQL6b4vXeWz-nRzfBTXopk/edit#gid=0)

- HRSD is utilizing the new technical standards in the small localities programs. Working closely with local government contacts to require GCD installations/retrofits when needed.

HRPDC staff and members of the Committee met with members of the Virginia Building & Codes Officials Associations to discuss the needs of FOG program managers in implementing their local FOG ordinances.

- There was not support for changing the MOA however those building & codes officials in attendance supported the Committee position regarding what constitutes a change of occupancy and a review of GCD requirements.
- VBCOA offered outreach opportunities to statewide stakeholders on local FOG programs via association newsletters.
- VDHCD reps also attended the meeting and can be engaged for help facilitating guidance/interpretations and also in formal actions when necessary.
- Brent Werlein submitted recommended changes to the plumbing code as part of the plumbing code review process.
- A working group will meet to discuss next steps on statewide outreach to building & codes officials.

**Action:** Committee members should update the tracking document for local FOG programs. A Committee working group will meet to discuss next steps for VBCOA outreach opportunities.
